

## Health and Safety Policy

Marine Village School will adhere to Health protocols as directed by Minnesota Department of Health and Human Services, as well as Hennepin & Washington county public health departments. Protocols are available on site as well as online and will be updated as they are made available. The staff at Marine Village School will have access to Hennepin County printed documents as well as the online versions and forms from other governmental units.

All school policies may be found on the shared Marine Village School Google Drive in the Policies folder.

Online forms from Hennepin County are available at:
