

You're Invited!

We're all ears...

The Marine Village School Board wants to hear from you!

As you know, we are beginning the process of hiring a new Executive Director/Principal for our amazing little school and we'd love to hear from you!

Please join us: *Sunday, May 31st at 4:00pm*

Where? *In the gym at MVS!*

What? *A listening session where our families are invited to share their thoughts with members of the MVS board.*

How? *Speakers will be asked to sign in, in the order they arrive and will be allowed up to five minutes to share their thoughts in an open forum setting.*

What to expect: *Board members will be present to listen. We appreciate your input, but we will not be responding to individual comments at this time.*

What do you want to hear?: *We are seeking your perspectives on the future leadership of our school! What do you wish to see moving forward? What has frustrated you in the past? What are your hopes for the future direction of MVS? What worries you? What inspires you?*

What if I can't make it? *Please feel free to email any member of the board what you would have liked to have said to us in person!*
